

Hybrid Conference Programme

Start (BST)	Finish (BST)	Presenter details
<b>Wednesday 25 October 2023</b>		
12:00	13:00	<b>Registration, lunch and networking</b>
12:40	13:00	<i>Briefing for Keynote &amp; Session 1 speakers, microphone runners, chair, moderator &amp; committee - Auditorium</i>
13:00	13:10	<b>Welcome</b> <b>Scientific Programme Committee:</b> <a href="#">Jehannine Austin, The University of British Columbia, Canada</a> <a href="#">Annie Hasan, Kamineni Hospital, India</a> <a href="#">Charlotta Ingvaldstad Malmgren, Karolinska University Hospital, Sweden</a> <a href="#">Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</a> <a href="#">Christine Patch, Wellcome Connecting Science, UK</a>
13:10	14:10	<b>Keynote 1</b> <i>Chair: Charlotta Ingvaldstad Malmgren, Karolinska University Hospital, Sweden</i> <i>Moderator: Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</i>  Examining Genethics through a genetic counselling lens <a href="#">Danya Vears, Murdoch Children's Research Institute, Australia</a>
14:10	14:15	Comfort break
14:15	15:45	<b>Session 1: Big data; trust governance and participation: Role of the genetic counsellor</b> <i>Chair: Christine Patch, Wellcome Connecting Science, UK</i> <i>Moderator: Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</i>
14:15	14:45	Trust, trustworthiness and participation in genomics research <a href="#">Richard Milne, Wellcome Connecting Science, UK</a>
14:45	15:15	Trust, governance and participation - The role of the genetic counsellor <i>Amanda Pichini, Genomics England, UK</i>
15:15	15:30	My Research Results: A genetic counsellor-led program facilitating the translation of research results into clinical impact <i>Amanda Willis, Garvan Institute of Medical Research, Australia</i>
15:30	15:45	Exploring precision medicine through the lens of the LGBTQ+ community - <b>virtual</b> <i>Daniela Diaz Caro, Columbia University, USA</i>
15:45	16:30	Refreshment break and networking
16:15	16:30	<i>Briefing for Session 2 speakers, microphone runners, chair &amp; moderator - Auditorium</i>

<b>16:30</b>	<b>18:00</b>	<b>Session 2: Informing service development policies</b>
		<i>Chair: Jehannine Austin, The University of British Columbia, Canada</i> <i>Moderator: Annie Hasan, Kamineni Hospital, India</i>
16:30	17:00	How measuring subjective unmet need can help improve access to genetic counselling <a href="#">Kennedy Borle, The University of British Columbia, Canada</a>
17:00	17:30	Healthcare decision makers' perspectives on the creation of new genetic counselor positions in North America: Exploring the case for psychiatric genetic counseling <a href="#">Nour Chanouha, University of Iowa, USA</a>
17:30	17:45	National Genomic Counsellor Telephone Helplines: an efficient model to provide patient-centred professional expertise whilst scaling and mainstreaming genomic delivery <i>Joshua Nolan, Institute of Cancer Research, UK</i>
17:45	18:00	Exploring Diversity, Equity, and Inclusion Initiatives in the Admissions Processes of Genetic Counselling Programs <i>Jared Warden-Joseph, University of British Columbia, Canada</i>
<b>18:00</b>	<b>18:40</b>	<b>Poster pitch talks</b>
<b>18:40</b>	<b>19:40</b>	<b>Poster session with drinks reception</b>
19:40	21:00	Dinner
19:40		Bar open (card payments only)

Thursday 26 October 2023		
07:30	09:00	Breakfast
09:15	09:30	Briefing for Session 3 and 4 speakers, microphone runners, chair & moderator - Auditorium
<b>09:30</b>	<b>10:30</b>	<b>Session 3: Patient perspectives' enhancing the practice of genetic counselling</b>
		<i>Chair: Jehannine Austin, The University of British Columbia, Canada</i> <i>Moderator: Christine Patch, Wellcome Connecting Science, UK</i>
09:30	09:45	Adolescents' Implicit and Explicit Attitudes Towards Their Peers with Genetic Conditions - <b>virtual</b> <i>Tasha Wainstein, University of British Columbia, Canada</i>
09:45	10:00	Parents' Perspectives of Coordinated Transitional Genomics Clinics for Young People with Intellectual Disability <i>Chris Jacobs, University of Surrey, UK</i>
10:00	10:15	The efficacy of genetic counselling for familial colorectal cancer: findings from a randomised controlled trial <i>Andrada Ciuca, Babes-Bolyai University, Romania</i>
10:15	10:30	GENEEQUAL: An innovative partnership to improve genetic counselling with people with intellectual disability <i>Jackie Boyle, GeneEQUAL, Australia</i>
<b>10:30</b>	<b>11:10</b>	<b>Session 4: Communities and Genetic Counsellors working together</b>
		<i>Chair: Christine Patch, Wellcome Connecting Science, UK</i> <i>Moderator: Jehannine Austin, The University of British Columbia, Canada</i>
10:30	11:10	Human Embryo Editing to Cure Serious Inherited Disease: film and policy from patients <i>Anna Middleton, Wellcome Connecting Science, UK</i>
11:10	11:45	Refreshment break and networking
11:30	11:45	Briefing for Session 5 speakers, microphone runners, chair & moderator - Auditorium
<b>11:45</b>	<b>13:15</b>	<b>Session 5: What's new in personalised medicine</b>
		<i>Chair: Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</i> <i>Moderator: Charlotta Ingvoldstad Malmgren, Karolinska University Hospital, Sweden</i>
11:45	12:15	Making genomic medicine routine <a href="#">Adam Buchanan, Geisinger, USA</a>
12:15	12:45	Polygenic Risk Scores in Clinical Practice: Where are we at and what's ahead? <a href="#">Hannah Wand, Stanford University, USA</a>
12:45	13:00	Genetic counselling needs for reproductive genetic carrier screening at population scale: Genetic counsellor perspectives <i>Samantha Edwards, Harry Perkins Institute of Medical Research - UWA, Australia</i>
13:00	13:15	Bringing art and science together to explore participation biases in genomic studies <i>Noemi Nicole Piga, University of Leicester, UK</i>
13:15	14:30	Lunch and networking
14:15	14:30	Briefing for Session 6 speakers, microphone runners, chair & moderator - Auditorium

<b>14:30</b>	<b>16:30</b>	<b>Session 6: Research participants, patients and genetic counsellors working together</b>
		<i>Chair: Charlotta Ingvaldstad Malmgren, Karolinska University Hospital, Sweden</i> <i>Moderator: Annie Hasan, Kamineni Hospital, India</i>
14:30	15:00	Co-design of a patient-facing resource to support decision making about hereditary cancer: blending theory and lived experiences <a href="#">Kelly Kohut, St George's University Hospitals NHS Foundation Trust, UK</a>
15:00	15:15	Engaging Communities from the Beginning: Developing a Community-Led Pediatric Rare Disease Research Agenda - <b>virtual</b> <i>Courtney Berrios, Children's Mercy Kansas City, USA</i>
15:15	15:45	Genomics for the well-being of autistic people: challenges and recommendations - <b>virtual</b> <i>Heini Natri, National Institutes of Health, USA</i>
15:45	16:30	Working with lived experience consultants to develop recommendations for improved postpartum mental health care: a genetic counselling research team's journey - <b>virtual</b> <a href="#">Catriona Hippman, The University of British Columbia, Canada</a>
16:30	17:00	Refreshment break and networking
14:15	14:30	<i>Briefing for Session 7 speakers, microphone runners, chair &amp; moderator - Auditorium</i>
<b>17:00</b>	<b>18:00</b>	<b>Session 7: Global view</b>
		<i>Chair: Annie Hasan, Kamineni Hospital, India</i> <i>Moderator: Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</i>
17:00	17:15	Genetic Counselling in Sub-Saharan Africa: Current Challenges and Lessons from Existing Health Professions in the Region - <b>virtual</b> <i>Judith A. Osae-Larbi, University of Ghana, Ghana</i>
17:15	17:30	Navigating culture and paternalism: Service Development for Genetic Counselling in Malta's Healthcare Landscape <i>Roberta Rizzo, University Hospital Southampton NHS Trust, UK</i>
17:30	17:45	Genetic Counselling in German Speaking Countries: steps in the right direction <i>Camila Gabriel, Universitätsklinikum Heidelberg, Germany</i>
17:45	18:00	Exploring the perspectives of genetics providers in Latin America on genetic counseling and the barriers to establishing the field in the region <i>Rebeca Venezia, Mexico</i>
18:00		Bar open - card payments only
18:00	18:30	Free time
18:30	20:30	Dinner

**Friday 27 October 2023**

07:30	09:00	Breakfast
09:15	09:30	Briefing for Session 8 speakers, microphone runners, chair & moderator - Auditorium
<b>09:30</b>	<b>11:00</b>	<b>Session 8: Mind the gap: What's missing in Global GC research</b> <i>Chair: Annie Hasan, Kamineni Hospital, India</i> <i>Moderator: Charlotta Ingvaldstad Malmgren, Karolinska University Hospital, Sweden</i>
09:30	10:00	Bibliometric analysis of genetic counseling publications in Asia: Insights and implications <a href="#">Peter Abad, University of the Philippines Manila, Philippines</a>
10:00	10:30	Enhancing genetic counselling education, training and leadership through research <a href="#">Alison McEwan, University of Technology Sydney, Australia</a>
10:30	10:45	African rare disease research participants expect feedback of all secondary findings - <b>virtual</b> <i>Bianca Rossouw, Wits University and the National Health Laboratory Service, South Africa</i>
10:45	11:00	Assessing patient recall, understanding, and vocabulary of genetic concepts, in a South African setting - <b>virtual</b> <i>Barry Shingwenyana, National Health Laboratory Service and Wits, South Africa</i>
11:00	11:45	Refreshment break and networking
11:30	11:45	Briefing for Keynote, microphone runners, chair, moderator & committee - Auditorium
<b>11:45</b>	<b>12:45</b>	<b>Keynote 2</b> <i>Chair: Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</i> <i>Moderator: Michelle Bishop, Wellcome Connecting Science, UK</i>  Unlocking the next phase of development for our profession: establishing genetic counseling as an academic discipline <a href="#">Jehannine Austin, The University of British Columbia, Canada</a>
<b>12:45</b>	<b>13:00</b>	<b>Closing remarks and prize presentation</b> <b>Scientific Programme Committee:</b> <a href="#">Jehannine Austin, The University of British Columbia, Canada</a> <a href="#">Annie Hasan, Kamineni Hospital, India</a> <a href="#">Charlotta Ingvaldstad Malmgren, Karolinska University Hospital, Sweden</a> <a href="#">Kelly Ormond, ETH-Zurich, Switzerland and Stanford University (Adjunct), USA</a> <a href="#">Christine Patch, Wellcome Connecting Science, UK</a>
13:00	13:50	Lunch and departures
13:50		Coach departures for Stansted and Heathrow airports
14:00		Coach departures for Cambridge train station and city centre
